Bull's Cedron Bitters

AUTHENTIC DOCUMENTS Arkansas Heard From.

TESTIMONY OF MEDICAL MEN Stoney Point, White Co., Ark., ) May 23, 1866. Da Jone Butt-Dear Sir: Last February I was in Louisville purchasing drugs, and I got some of your Sarsupavilla and Cedron Bitters. My son-in-low, who was with me in the

store, has been down with rheumatism for some time, commenced on the Bitters, and | soon found his general health improved. Dr. Gist, who has been in had health, tried them, and he also improved

Dr. Coffee, who has been in bad health for several years--stemach and liver affected-- he improved very much by the use of your Bitters. Indeed the Cedron Bitters has given you great popularity in this settlement. I think I could sell a great quantity of your medicines this fall—especially of your Cedron Bitters and Sarsaparilla. Ship me via Memphis, care of Puckett & Neely. Respectfully,

Bull's Worm Destroyer

To My United States and World-Wide Renders.

I have received many testimonials from professional and medical men, as my almanacs and various publications have shown, all of which are genuine. The following letter from a highly educated and popular physician in Georgia is certainly one of the nost sensible communications I have ever ecceived. Dr. Clement knows exactly what he speaks of, and his testimony deserves to be written in letters of gold. Hear what the Doctor says of BULL'S WORM DE STROYER:

M. J. WICKS, President A. Sterser, Vice-President Consulting Consulting Physicians E WOODWARD, Regular Physicians E WOODWARD VILLANOW, WALKER COUNTY, GA., ) June 29, 1866. Dr. John Bull-Dear Sir: I have re cently given your "Worm Destroyer" several trials, and find it wonderfully efficacious. It has not failed in a single instance to have the wished for effect. I am doing a pretty large country practice, and have daily use for some article of the kind. I am free to confess that I knew of no remedy recommended by the ablest authors that is so certain and speedy in its effects. On the contrary, they are uncertain in the extreme. My object in writing you is to mad out appeared to be terms I can get the medicine directly from you. If I can get it upon easy terms, I shall use a great deal of it. I am aware that the use of such articles is contrary to the teachings and practice of a great majority of the regular line of M. D.'s, but I see no just cause or good sense in discarding a remedy which we know to be efficient, sim ply because we may be ignorant of its combination. For my part, I shall make it a rule to use all and any means to alleviate suffering humanity which I may be able to command-not hesitating because some one more ingenious than myself may have Booksellers and Stationers, learned its effects first, and secured for himself the right to use that knowledge. However, I am by no means an advocate or supporter of the thousands of worthless nostrums. that flood the country, which purports to cure all manner of dicease to which human Fine Old Bourbon and Domestic flesh is heir. Please reply soon, and inform me of your best terms.

I am, sir, most respectfully, JULIUS P. CLEMENT, M. D. Bull's Sarsaparilla

A Good Reason for the Captain's Faith Read the Captain's letter and the letter from his mother : Benton Barracks, Mo., April 30, 1866. Da. John Bull-Dear Sir: Knowing the efficiency of your Sarsaparilla, and the healing and beneficial qualities it possesses, I send you the following statement of my case. I was wounded about two years ago-was taken prisoner and confined for sixteen months. Being moved so often, my wounds have not healed yet. I have not sat up a moment since I was, wounded. I am shot through the hips. My general health is im paired, and I need something to assist nature.

have more faith in your Sarsaparilla than in any thing else. I wish that that is genune Please express me half a dozen bottles, and oblige CAPT. C. P. JOHNSON, St Louis Mo. P. S.—The following was written April 30, 1865, by Mrs. Jennie Johnson, mother

of Capt. Johnson. Dr. Bull-Dear Sir: My husband, Dr. C. S. Johnson, was a skillful surgeon, and physician in Central New York, where he lied, leaving the above C. P. Johnson to my care. At thirteen years of age he had a chronic diarrhen and scrofula, for which I gave him your Sarsaparilla. It cured him, I have for ten years recommended it to many in New York, Ohio, and Iowa, for scrofula fever sores, and general debility. Perfect success has attended it. The cures. effected in some cases of scrofula and fever sores were almost miraculous. I am very anxious for my son to sgain have recourse to your Sarsaparilla. He is fearful of getting a spurious article, hence his writing to you for it. His wounds were terrible, but I believe he will recover.
